Piedmont Columbus Regional Community Health Center

The **Piedmont Columbus Regional Community Health Center** specializes in general family medicine focusing on patients from 18-64 years of age. In order to be seen at the Community Health Center, you must contact the financial resource center for a list of all documents required to qualify for the program. Below are items that are required (please call for complete list).

- Must show proof of residency in Muscogee County for at least three (3) months.
- Must have a Georgia **identification** card.
- Must have an employment agency wage statement.

Please call **706.321.6690** for financial screening eligibility. You will be given an on-site appointment at the Financial Resource Center located inside the Professional Tower at 700 Center St. (see map on back).

Once approved for the program, patients will be able to receive **routine office visits, preventative screening, lab work, medications and referrals to specialists when clinically indicated** at **NO COST.**

Specialty clinics include but are not limited to:

- Gastroenterology (GI)
- General/Vascular Surgery
- Gynecology
- Pulmonology
- Wound Care
- Eye Screenings

We offer a Pharmacy Clinic for help in managing medications, weight management, smoking cessation, diabetic education and coumadin management, if deemed necessary by your physician.
