Trauma-Informed Care + Affordable Housing = Housing Stability

USICH Unveils Federal Strategic Plan to End Homelessness

This month USICH released a new Federal Strategic Plan [“Expanding the Toolbox: The Whole-of-Government Response to Homelessness”](#).

The plan places focus on increased self-sufficiency and a dramatic reduction in homelessness across America.

Domestic Violence Awareness Month: Focus on Survivors and Community Resources for Support

October is domestic violence awareness month, but the number of people

experiencing domestic violence has increased overall during the COVID-19 pandemic. Communities can use these tools to help survivors get the support they may need.
