

Floor Technician and Custodial Training

“Position Yourself for Competitive Employment in a Growing Industry!”

This four-week floor technician and custodial program at Goodwill trains individuals for careers in a high-demand field with opportunities for strong entry-level earnings. Through this program individuals receive customer service and job readiness training and assistance with finding employment. Individuals who complete the program receive a general custodian and floor technician certification.

TOPICS INCLUDE:

- Floor Stripping and Waxing
- Buffing
- Tile and Floor Restoration
- Upholstery Cleaning
- Mixing Chemicals
