

SERVING VULNERABLE POPULATIONS DURING AN EMERGENCY

EMERGENCY PREPAREDNESS WORKSHOP

MARCH 10TH 9AM-3PM

**Hughston Foundation
6262 Veterans Pkwy Columbus, Georgia**

Workshop participants will learn from regional emergency preparedness experts how recent natural disasters in Georgia and the Chattahoochee Valley have impacted vulnerable populations and how we can better prepare for future emergencies.

Workshop Topics will include:

- Working with urban and rural at-risk populations.
- Discussing needs of those with Medical and Mental Health concerns during a disaster.
- In-depth look at impacts of a disaster on seniors and the homeless.
- Discovering the benefits of partnering with the Region I Healthcare Coalition.
- Learning the opportunities of becoming a Medical Reserve Corp Volunteer.

REGISTER ONLINE TODAY

<https://www.surveymonkey.com/r/Vulpop2020>

Seating is limited to 100 participants / Breakfast and Lunch will be served.

Registration Ends March 9th or until seating capacity is reached.

This workshop is sponsored by the Region I Healthcare Coalition and the Georgia Department of Public Health.
